FUNFEST Arts, Crafts & Home Party Show

Now welcoming all of the following:

Handmade Crafts, Craft- Related, Home Party Plans / Direct Sales Vendors

Funfest has re-invented our CRAFT SHOW to give more vendors the opportunity to take advantage of our unique event, staged as part of a large 2-day festival.

NEW CATEGORIES: Funfest will now consider the following as potential vendors in our Arts, Crafts and Home Party Show. All prospects must be approved by the committee.

- 1: **HANDMADE CRAFTS:** Keeping in with the 25 year tradition of the Funfest Craft Show, crafts made and sold by the exhibitor are welcomed and encouraged. Under this category, food products will also be accepted, as long as they are homemade and pre-packaged as a take-home item. No cooked or heated food.
 - 2: **CRAFT RELATED:** Items used by home crafters or in keeping with the spirit of Craft Shows (subject to approval).
 - 3: **HOME PARTY PLANS/DIRECT SALES VENDORS:** We now welcome agents for direct sales vendors of all sorts.
- Limit one vendor per company.**

What we still DO NOT allow: Ready-to-eat food, commercial or retail items, antiques or collectibles, garage sale items. Toy weapons-including rubber band guns, and anything else that launches a projectile-will not be permitted.

Some other Rules:

- **NEW:** All applicants must provide a complete description of items to be sold, and new Funfest Craft Show participants must supply at least **one photo** of your product.
- Applications will be reviewed by the Funfest Craft Committee. Approval of all crafters is at the discretion of the Committee. Follow-up information will be sent in the mail in the first week of August. Those whose applications are rejected will be notified immediately.
- The Funfest Craft Committee will strictly enforce our rules during Funfest Weekend. Committee members will check displays before the event starts and throughout the day to ensure that all items are in keeping with our policies. Crafters who are selling items not approved on your application will be asked to remove the items from sale. Crafters not adhering to the rules will be asked to leave immediately, and registration fee will not be refunded.
- Spaces measure 10' x 15.' Participants must supply their own stands, tables, chairs, tents.
- No vehicles are permitted in show area before set-up time or once show has begun.
- During Set-up, crafters will be asked to unload materials first and move vehicles before beginning to set-up your booth.
- Crafters who will be towing trailers into the craft area for set-up must notify Funfest in advance (see form).
- Tear Down is **7:30 PM on Saturday, and 6:30 PM on Sunday—the same applies to food vendors/non-profits.** Street lights will provide light as the sun begins to set. The entire festival (Funfest Street fair) ends at 7:00 Saturday and 6:00 Sunday. No early tear downs will be permitted.
